

Miller Message for March 2016

Rockin' sockin' dance party!

The Rotary Club of Gary and the Miller Business Association are holding a fundraising event at the Gardner Center on Lake Street, on **Saturday, March 19 from 7:00 pm to 11:00 pm**. The **Corey Dennison Band** will provide live entertainment, along with snacks, a cash bar, and a silent auction. Tickets are \$30 in advance or \$40 at the door. They can be purchased at Ayers Realtors and the Lake Street Gallery. Call 219-938-4566 for additional information.

A Nelson Algren birthday party

Sue Rutsen and the **Nelson Algren Society** will present a program on **Sunday, March 20 at 3:00 pm** celebrating Algren's 107th birthday. The event will include a dramatic reading of his 1934 short story, "Forgive Them, Lord", along with reminiscences by Miller residents, views of Algren's homes in Miller, and other drama-tizations. There will also be a cake and dedication of the "Paris Room." Admission is \$10 with a cash bar. This is the third in this winter's series of "Talk Theater" events and is a fund-raiser for the Aquarium.

Looking ahead, there will be an Algren festival on Lake Street on **June 24 and 25**, with an Algren biographical movie, speakers, and music by the Frankie Machine Blues Band.

Reviving the Miller Prom

From 1980 until the Marquette Park Pavilion was closed for renovation in 2010, the annual MCC Valentine's Day Dance, which came to be known as the "Miller Prom" was a highlight of the winter season. **The MCC wants to resume the annual events**, because they are fun, they perform their intended function of bringing all sorts of Miller people together., and they give local residents a deserved opportunity to enjoy the splendidly restored pavilion. **However, use of the pavilion is not free, and it has been difficult to put together a dance package which people can reasonably afford.**

Anyway, the MCC has established an **Events Committee**, to develop a workable plan for the revived "Prom". The Pavilion manager is helping by giving significant price concessions for this particular community event. We are planning to return the dance to the original Valentines Day schedule — in this case, **Saturday, February 11, 2017. Mark that date on your calendar!** We want this to be a 'dressy' affair, but it will probably not involve a traditional sit-down dinner. Instead, we will likely have hors d'oeuvres to be passed around, with small tables and stools that encourage people to circulate and talk. The cost of the ticket will cover music and food, but drinks will be purchased from a cash bar.

If you have ideas about the MCC Dance that you would like to share, or if you would like to join the committee and help make the event happen, contact the event co-ordinator, Carolina Camisa (tuppham@peoplepc.com) and join one of the upcoming planning sessions.

Miller Beach greets spring

GARDEN CLUB BEGINS SEASON

You can tell that spring has arrived, since the **Miller Garden Club** will hold its first general meeting of the year on **Saturday, March 19, starting at 10:00 am.**

As usual, the meeting will take place at the Aquarium in Marquette Park. The

public is invited to attend, enjoy socializing, and take in an informative presentation by master gardener **Darryl Dorton**, who will discuss a subject dear to the heart of every gardener: “**how to identify weeds and destroy them.**” Dorton has been a master gardener since 2004, and has personal experience combatting weeds as a home owner and gardener.

Everybody is welcome to attend the monthly Garden Club meetings at the Aquatorium, at 10:00 am on the third Saturday of each month, from March to October. There is no charge, and there will be coffee and sweets to accompany the business meeting and the informative presentations.

SHORELINE COMMITTEE ROLLS

The MCC Shoreline Committee has resumed its public meetings and has set a schedule for regular monthly meetings the rest of the year. The **usual evening meet-ings** will be held at the **Gardner Center on Lake Street** on the **third Thursday of the month from 6:00 to 7:30 pm. EXCEPT** the very next upcoming meeting, on March 17, will be held at **10:00 am** instead, to avoid conflict with the celebration of St. Patrick’s Day. Each month there will also be an alternative Shoreline Committee meeting on the **second Thursday** of the month at **10:00 am**, with variable meeting locations. This is to accommodate city employees, like the Park Superintendent and Police and Fire representatives, who find it much easier to attend during regular working hours. The Shoreline Committee has a very full agenda covering beach safety and park maintenance, which will be discussed more fully in the April Miller Message.

Miller students earn cheers

With all the complaints about the poor quality of Gary schools, we tend to forget that two schools which happen to be located in Miller - Wirt/Emerson Academy for the Performing Arts and Banneker School - are significantly better than the average, both in test performance and graduation rates.

As its name suggests, the curriculum at Wirt/Emerson emphasizes training in the visual and performing arts, and **the work of its students has recently been recognized in regional exhibits and competitions.**

Arthur Lemme, Lawrence Kitchen, Emanuel Williams and Raymar Brunson had their works displayed in the **Museum of Science and Industry Black Creativity Juried Art Exhibit**. Williams received a Best in Digital Media award, Kitchen received a Best in Mixed Media, and Brunson received a Third Place (all around). Then in the **National Scholastics Regional Art Exhibit**, Lawrence Kitchen received two honorable mentions and Raymar Brunson received a silver medal. Kayla Green received a 1st place in the **Hammond Wolf Lake Initiative poster contest**. China Williams received a first place in the **Valparaiso Dr. Martin Luther King Art Exhibit** and will be exhibited in the IUN high School Student Biennial. Congratulations to all of these students.
