Subject: MCC's Local Government Accountability Committee (LGAC) 2021 Citizen Survey Results

In our continuing effort to provide local elected officials feedback on concerns and issues of citizens in the 1st District, we compiled responses to our most recent survey and offer them to you.

The survey consisted of 3 questions to 1st district citizens. The 1st district neighborhoods participating in the survey included Aetna, Emerson, Glen Ryan, and Miller.

Survey questions and responses:

1. Regarding road repair paid for by Wheel Tax funds, should a list of streets and an estimated time schedule for these repairs be published prior to repairs? YES 193, NO 2, DON'T KNOW 3
2. When all 3 exits leaving Miller are closed, should there be an auxiliary route for emergency vehicles to enter and exit Miller? YES 193, NO 0, DON'T KNOW 2.
3. Do you know what are the individual responsibilities of your elected officials? YES 59, NO 93, DON'T KNOW 39, SOMEWHAT 9.

The LGAC's intent is to work with elected officials to identify issues of concern to citizens, help to improve policies, and the conditions of this remarkable city. We, therefore, invite you to meet with our MCC board members to discuss resolutions to these issues from the 1st district. I will contact you to arrange a date to meet with us.

Respectfully,
